

## **Asbestos Law Compliance Notice**

Kirbyville CISD has complied with a federal law requiring schools to be inspected for asbestos and to develop management plans to address asbestos in school. As required, each campus houses a copy of the management plan, and a copy of the master plan is housed at the administration building. These copies are available for public viewing. Any questions concerning this matter should be directed to Jimmy Dodson, KCISD Asbestos Manager, at 409-423-3057 or [jdodson@kirbyvillecisd.org](mailto:jdodson@kirbyvillecisd.org).
